

program guidelines:

- This program is available to Riverside Public Utilities' (RPU) residential water customers.
- The level of incentive is \$80 per 12 station controller purchased and installed by an approved contractor.
- Qualified units must be installed and in operation at the customer's service address, within 90 days of purchase date.
- Units are subject to inspection for program compliance. Failure to comply may forfeit rebate.
- Incentive will be paid to the RPU residential water customer of record.
- Customers must fulfill all program guidelines, to be eligible for incentives.
- RPU reserves the right to determine product eligibility. For a list of eligible controllers, visit www.blueriverside.com.

- Rebates will be applied directly to the customer's residential utility account.
- Program is subject to change without prior notification. Incentives are paid on a first come, first served basis, and are subject to fund availability.

WBIC Rebate

If you're an RPU water customer you can receive an \$80 rebate when a controller is installed by an approved contractor.

I certify that I am the owner(s) or tenant(s) of the real property where the improvements have been installed, and I have not previously received or applied for other utility financing or incentives for the improvements on this application. I also certify that the foregoing information is true and correct. I understand and agree that the choice of improvements, the selection of contractors, the purchase of items and acceptance of materials used, work performed, and the payments there are my responsibility. I understand that I will be fully liable for any damage to person or property that may be caused by the installation and/or operation of the equipment involved. I understand that Riverside Public Utilities does not endorse, recommend or make any representations as to specific brands, products, contractors or dealers, nor does it guarantee material or workmanship. I further agree to indemnify and hold harmless the City of Riverside, its officers, employees, and agents from any damages related to the use or installation of weather based irrigation controllers.
